Food & Wine: A new section on 5 Terre Online!

More than two hundred local dishes prove that Ligurian food is not only the tastiest in Italy, but healthy as well. This ultimate Mediterranean diet of herb-perfumed cuisine - pesto, focaccia, filled pastas, minestrone, as well as specialties like stuffed basil leaves and sea bass fillets in asparagus sauce - will make you hungry for the region too. The Cinque Terre is a National Park and Unesco World Heritage site.

We highly recommend 3 stars

Do you know "FARINATA"???

What is Farinata? "It is a typical Ligurian and Tuscan dish, made with chick pea flour and mixed with water, salt and olive oil. It must be cooked in a high temperature oven (400°C) and can be mixed with Pesto sauce, Gorgonzola and Stracchino cheese. It takes about ten minutes in the oven and then it is ready."

Thanks to Taverna Garibaldi Staff!!
